"Before we opened our shop, we were looking around for tote bags to stock," say **Michelle Mungcal** and **Ken Concepcion**, owners of Now Serving in L.A. "When we saw this, we thought, Why didn't we think of that? The **Àplat Culinary Dish Tote** is so smart. It allows you to carry things horizontally: casseroles, cobblers, and stone fruit that you don't want to stack on each other and bruise. Plus, whenever we bring it out, we get lots of 'oohs.'"
